ABOUT MICK

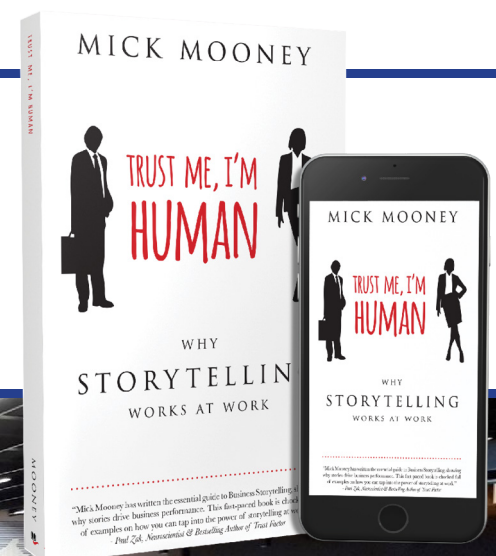

Mick is a speaker, author and trainer whose thought leadership revolves around how humans connect and make progress in their personal and professional lives. He is passionate about helping business leaders leverage the power of storytelling to improve their communication, engage with their purpose and internal drivers, and increase their commercial success.

He's the author of seven published books, including *'Meeting The Muse'* and his latest book, *'Trust Me, I'm Human: Why storytelling works at work.'* He's also a contributor at the Huffington Post where his articles have been liked and shared over 200,000 times on Facebook and other social media sites.

An authentic and enthusiastic speaker and professional storyteller, Mick balances his presentations with entertainment, enthusiasm, humour and deep insights that empower positive behavioural change.

"Mick Mooney has written the essential guide to Business Storytelling, showing why stories drive business performance. This fast-paced book is chocked full of examples so you can tap into the power of storytelling at your work."

- Paul Zak, Neuroscientist & Bestselling Author of *Trust Factor*
